Leg 5 – 6.49 miles TIMED CONTEST LEG: Sponsored by Oofo. Fastest male/female win a pair of Oofo Sandals!

NOTE: Before you read the directions to this leg, let me assure you that this particular leg is about as obscure as things get in terms of turn-by-turn directions. For whatever reason, most roads in this area of the route share names and numbers so things can get a little confusing. Our route will be well marked so follow your maps and our markers closely on this one. I promise that navigation will be much simpler from this point on. Thanks! 😊

1. Begin at Clearing on right side of CR-8455.
2. **CONTINUE** on CR-8455 (turns into Capps Ranches Road) for 0.9 miles to fork in road.
3. Bear **LEFT** at fork to continue on Capps Ranches Road (CR-600) for 2.0 miles to Mule Lot Road.

Rd. 142 at the bottom of a big hill in a sharp U turn to the right. This U turn wraps around the end of a cove in Beaver Lake. Depending on rainfall, this cove may or may not have visible water. As you complete the U turn and start back up the hill, the road becomes Kirk Hollow Road/Co. Rd. 142.
